We, of the Eastern Interfaith Outreach, thank you for your generous donations. These are most helpful to us as our needs are increasing at this time. With all the economic problems people are facing today, we are most grateful for your support to assist those in need.

At this time we are presenting our *Certificate of Appreciation* for your support of the Eastern Interfaith Outreach. It is your goodwill and charity that makes it possible for us to be of assistance to those in the Eastern Baltimore County area who are in need at this time.

Thank you again for your contributions.

Sincerely,
